## Description of your issue

Please enter the details of your inquiry. This should include a clear description of the issue and the steps of how to duplicate the problem, if possible. If you wish to include an attachment, please do so at the end of this form.

**Do not include sensitive information such as credit card, social security number, or password in the description.**

## What resolution are you seeking?

Please describe the action(s) you would like ALDI to take to resolve this issue.

**Your e-mail address**

If you wish to receive a response, or be reachable for questions/updates, you must provide a working e-mail address where you can receive e-mail. Please note that certain requests (such as those requiring account-specific research or changes) cannot be resolved without the provision of identifying information to ALDI US.

**Your name**

You are welcome to use your real name or use “No Name” if you do not wish to provide your name. Providing your name generally helps expedite resolution if ALDI needs to look up your specific account or personal details.

**Your Phone Number**

**Your country**
